GREAT FUTURES START HERE.

BOYS & GIRLS CLUBS
OF GREATER CONEJO VALLEY

The Boys & Girls Clubs of Greater Conejo Valley offers quality programs throughout the school year in education, the arts, health, sports, computer technology, and leadership. We have a total of 9 clubs located in Conejo Valley and Las Virgenes. Our seven middle school clubs are open after school daily until 6:30 pm. The morning schedules vary between locations. Our two elementary sites are open after school until 6:00 pm. Weekend activities are geared for ages 3 – 12 with a Sunday low-competitive Basketball League.

Middle School Program Descriptions

The Arts

The Richard and Mary Carpenter / Alliance for the Arts Music Program

ART AT HEART In this fine arts class, members will learn about famous artists and their techniques. They will gain the skills used by Monet, Cezanne, Picasso and others through painting and drawing.

AWESOME ART Unleash your inner artist! In this course we will study the fundamentals of line drawing, perspective, color, and texture.

BROADCASTING In this class, students learn the fundamental principles of newsgathering and digital production. Members will have a chance to report news around the club, school and community. This program will consist of different teams of entertainment and research with the goal of creating a bi-weekly report for the Club families.

CLAYMATION Clay animation is one of many forms of stop motion animation. In this fun, interactive class members will create short films using clay and an iPad.

COMIC BOOK CLUB Every kid has a story to tell, do it with words and pictures and put it out to the world. Members will learn how to write and illustrate their stories, produce multiple copies and explore distributing them to different media outlets.

DANCE TEAM This class is a fun, high energy experience that will teach you various Hip Hop styles and moves including a variety of dance combinations. Our experienced instructors create a fun environment that helps participants develop basic dancing skills.

DIY DECOR Pinterest-lovers and anyone with a flair for the creative, this activity is for you! Make several unique projects like recycled vase painting, furniture refinishing, frame décor and more!

GUITAR JAM Have you ever wondered if you could play the guitar? Learn the FUNdamentals and diverse styles of the guitar. You will be strumming and making music in no time.

PHOTOGRAPHY Learn the basics of digital photography. This beginning photography course will teach how to produce better pictures with lighting and perspective techniques. You will also learn basic photo editing such as cropping and adjusting color and light.

ROCK BAND Many kids today dream about being in a rock band or becoming a star. This enrichment class is a hands-on experience that instructs students how to play in a band, how to use musical equipment, and the techniques needed for practice and musical growth. Students can choose to learn: piano, electric guitar, bass guitar, ukulele, or drums.

VOICE OVER ACTING Learn voice animation like the pros in cartoons and videos! In this class, you will be taught all about voice-overs and how to use high-tech equipment and technology to portray your favorite animated characters.

Education & Career Development

3D PRINTING We'll spend the ten weeks learning how to design models on various websites, how to operate the 3D printer, and the science behind the machine.

AMAZING SLIME Make slime! Glitter slime, glow in the dark slime, magnetic slime, foam slime, edible slime, flubber, electro active slime, ectoplasm slime or what about thermochroic color change slime? In this program members will have a chance to create a variety of slime that can change colors, stick to walls and even stick to metals!

DIY STEM This class is a hands-on, activity-based STEM curriculum which connects youth to science themes they encounter regularly. Special attention is paid to connections of theory and application and the common interactions members have with scientific principles.

MONEY MATTERS Money Matters promotes financial responsibility and independence among Club members ages 13-18 by building their basic money management skills. Participants learn how to manage a checking account, budget, save and invest. They also learn about starting small businesses and paying for college.

POWER HOUR (Making Minutes Count) ♦ A comprehensive homework help and tutoring program, designed to raise the academic proficiency of Club members. Power Hour is offered Monday through Thursday at all Clubs.

ROBOTICS Science, Technology, Engineering and Math activities come together with this exciting robotics program. Robots are the future of many cutting edge careers. Join this class and learn how to design and build robots.

SCIENCE EXPLOSION Conduct simple scientific experiments with objects found in and around the house. Fun projects include lemon juice rockets, creating your own flashlight, producing invisible ink, and more!

Middle School Program Descriptions

Character & Leadership Development

TORCH CLUB ♦ This small-group leadership development program is targeted to building future leaders. Members elect officers and plan and implement their own activities and community service projects.

Health & Life Skills

CREATIVE COOKING ★ Learn simple cooking treats using basic kitchen appliances. A great class for the young chef who loves to cook! The best part...participants get to eat what they make!

Class Fee: \$25.00 for After School Members
\$75.00 for Non-Monthly Members

GOING GREEN Are you interested in the effects of recycling? Have you ever wanted to gain a better understanding of your environmental footprint? Join our Going Green program where you will learn easy techniques you can use to reduce energy consumption at home. You will also research and discuss Green companies. The conversations, experiments and projects are endless with the Going Green course.

SMART GIRLS This class is a health, fitness, prevention/education and self-esteem enhancement program for girls. The popular program is designed to encourage healthy attitudes and lifestyles that will enable early adolescent girls to develop to their fullest potential.

PASSPORT TO MANHOOD Passport to Manhood promotes and teaches responsibility while reinforcing positive behavior in male Club members.

Sports, Fitness & Recreation

ADVANCED BOARD GAMES Get ready to immerse yourself into a world of aliens, robots, monsters and ancient civilizations. These board games require detailed strategy, critical thinking and teamwork in order to achieve the unthinkable. Become the ruler of your own country, the hero of a time period and even the ruler of the universe! Some games include King of Tokyo, Smash Up, Munchkin and more!

BASKETBALL Instruction will focus on improving skills such as shooting, rebounding, passing, dribbling, conditioning and team work. Members will finish with greater self-confidence and appreciation of the game.

CARDIO Blends imagination, sports, games, and yoga with music while working on motor skills, balance, coordination, endurance and flexibility.

DODGEBALL "Ready, Set, DODGEBALL!" Each week will be skills training on dodging, throwing and catching balls. Participate in dodgeball games against other member-filled teams.

FLAG FOOTBALL This program is designed with the basics: passing, receiving, running with the ball, blocking and defense. Participants will be provided with fun opportunities to exercise their newly acquired skills.

GAMING CLUB Gaming Club is a fun way for members to get the chance to play video games. Members will participate in 30 minutes of physical activities; these activities focus on building up member's fundamental skills and encourages them to participate in sports and physical fitness. Members are then rewarded by having exclusive access to our video games room for 30 minutes.

HOCKEY Have a blast playing street hockey in street shoes! Players will get together once a week to participate in instructional drills as well as scrimmages. All equipment will be provided.

ROCK CLIMBING Learn all the skills you need to get out climbing. Have fun while climbing on our 35 foot indoor rock wall.

SOCCER Soccer is a fun and exciting way for you to learn cooperation while staying fit. You can learn the basic rules and plays that make soccer so popular worldwide. Build bonds with other members as you learn to become a team player in this great sport.

TRIPLE PLAY (SPORTS & FITNESS) Triple Play is a dynamic wellness program that demonstrates how eating right, keeping fit and forming positive relationships add up to a healthy lifestyle.

WIFFLE BALL A variation of the sport of baseball designed for indoor or outdoor play in confined areas. This activity will build flexibility and coordination while having fun.

Classes are offered at **NO ADDITIONAL CHARGE** when Members are enrolled in the Before/After School Monthly Program. Non-Monthly Members are welcome to enroll in these programs on an 'a la carte' (pay as you go) basis.

- ★ These classes have an additional fee for Monthly and Non-Monthly Members.
 - ♦ Classes can only be attended by After School Monthly Members.
- Cost per class for non-monthly members is \$50.00 unless otherwise noted
