# GREAT FUTURES START **HERE.**

**BOYS & GIRLS CLUBS**  
OF GREATER CONEJO VALLEY

The Boys & Girls Clubs of Greater Conejo Valley offers quality programs throughout the school year in education, the arts, health, sports, computer technology, and leadership. We have a total of 9 clubs located in Conejo Valley and Las Virgenes School Districts. Our seven middle school clubs are open after school daily until 6:30 pm. The morning schedules vary between locations. Our two elementary sites are open after school until 6:00 pm. Weekend activities are geared for ages 3 – 12 with a Sunday low-competitive Sports League.

# Club Program Descriptions

## The Arts

### *The Richard and Mary Carpenter / Alliance for the Arts Music Program*

**ART AT HEART** In this fine arts class, members will learn about famous artists and their techniques. They will gain the skills used by Monet, Cezanne, Picasso, and others through painting and drawing.

**AWESOME ART** Unleash your inner artist! In this course we will study the fundamentals of line drawing, perspective, color, and texture.

**CLAYMATION** Clay animation is one of many forms of stop motion animation. In this fun, interactive class members will create short films using clay and an iPad.

**CREATIVE CRAFTERS** The world is your canvas! Take ordinary objects and use them to create beautiful art.

**DANCE TEAM** This class is a fun, high energy experience that will teach you various Hip Hop styles and moves including a variety of dance combinations. Our experienced instructors create a fun environment that helps participants develop basic dancing skills.

**DIGITAL ART** Join this program to take your art beyond paint and brush. Through digital art you will create vibrant masterpieces that come to life. Through commands and animations we will create the new generation of art. If you can imagine it, you can bring it to the screen!

**DIY ART** Pinterest-lovers and anyone with a flair for the creative, this activity is for you! Make several unique projects like recycled vase painting, furniture refinishing, frame décor and more!

**DRAMA CLUB** Do you like to perform? This class introduces improvisation and ensemble acting skills through participatory activities and individual character development. Students will gain confidence, speaking skills and self-esteem.  
Class Fee: \$80.00 for Non-Monthly Members

**DRAWING** It sounds simple but it is more complicated than you think. Through this program, members can learn different methods of the art of drawing including shadow techniques, line weight, sketch language and what type of pencils work best for different types of paper. Get ready to take drawing to the next level.

**DRUM LINE** Love to make music? Be a part of a percussion team that will build performance skills and rhythmic knowledge.

**INCREDIBLE IMPROVISATION** This class is all about being in the moment and learning what it takes to have sharp wits! In this class students will learn to react to what's going on in their immediate environment and build skills to communicate quickly and confidently.

**LIGHTS, CAMERA, ACTION** This class will be focused on learning screen writing techniques, how to act in front of a camera, how to capture and edit sound, and how to use music to reinforce dramatic action. The class will also include movie editing techniques, directing, set construction, and lighting.

**LYRICISM 101** This program will provide an opportunity for Club members to explore hiphop as an art form, as well as engaging in critical literacy and creative writing. Lyricism will build self-esteem and confidence, while celebrating the diverse identities of our members.

**MOVIE CLUB** Do you enjoy what makes a good movie? This class analyzes different movie genres to determine what makes a movie a classic hit!

**MUSIC PRODUCTION** All of your favorite songs need amazing music producers to make their awesome beats. Music production is the backbone of progressive music. Learn how an iPad is capable of teaching us our fundamentals as well as making songs. No instrumental experience is necessary for this user friendly class.

**STAGE MAKE-UP** Movies and TV shows use make-up to create many exciting characters such as zombies, elves, and vampires. Now it's your chance to learn studio secrets and the tricks of the trade behind stage makeup. This is a hands-on class for anyone who's looking to build their theater and artistic skills or have fun learning something new.

**STOP MOTION ANIMATION** Students will learn how to create short animated films using iMovie and iMovie Editor. Basic principles like lighting, scripting, and editing will be taught in this class.

# Club Program Descriptions

## Health & Life Skills

**CREATIVE COOKING** Learn simple cooking techniques using basic kitchen appliances. This is a great class for the young chef who loves to cook! The best part...participants get to eat what they make!

Class Fee: \$25.00 for Before/After School Members  
\$40.00 for Non-Monthly Members

**PASSPORT TO MANHOOD** Passport to Manhood promotes and teaches responsibility while reinforcing positive behavior in male Club members.

**SMART GIRLS** This is a health, fitness, prevention/education and self-esteem enhancement program for girls. This popular program is designed to encourage healthy attitudes and lifestyles that will enable early adolescent girls to develop to their fullest potential.

Classes are offered at **NO ADDITIONAL CHARGE** when Members are enrolled in the Before/After School Monthly Program. Non-Monthly Members are welcome to enroll in these programs on an 'a la carte' (pay as you go) basis.

- ★ These classes have an additional fee for Monthly and Non-Monthly Members.
- ◆ Classes can only be attended by After School Monthly Members.  
Cost per class for non-monthly members is \$40.00 unless otherwise noted

## Character & Leadership Development

**CLUB LOVE** Club Love is a program that focuses on the power of human kindness in school and throughout the community. Empowering youth through positive programming and encouragement gives them the confidence to be a role model for others.

**GREAT MINDS, GREAT FUTURES** With today's technology, the average teenager spends about 9 hours a day staring at a screen. What about face-to-face interaction with others? This program will give members the opportunity to interact with others through activities that promote a growth mindset, higher self-esteem and a stronger confidence that will help through the teenage years.

**JR. STAFF** Members have an opportunity to gain valuable work experience and demonstrate a sense of responsibility as a Junior Staff member. In our Clubs, Junior Staff serve as role models to younger members as they assist full-time professional staff in a variety of program areas and at the front desk.

**TORCH CLUB** This small-group leadership development program is targeted to building future leaders. Members elect officers and plan and implement their own activities and community service projects.

**YOUTH FOR UNITY** Youth for Unity is designed to build the ability of local Boys & Girls Clubs to help young people better understand diversity and combat prejudice, bigotry and discrimination.

# Club Program Descriptions

## Education & Career Development

**ADVANCED BOARD GAMES** Get ready to immerse yourself into a world of aliens, robots, monsters and ancient civilizations. These board games require detailed strategy, critical thinking and teamwork in order to achieve the unthinkable. Become the ruler of your own country, the hero of a time period and even the ruler of the universe! Some games include King of Tokyo, Smash Up, Munchkin and more!

**CLUB TECH** This class will develop club member's proficiency with word processing, spreadsheet, and other productivity software through fun, hands-on, engaging lessons and projects.

**COLLEGE BOUND** This class is designed to introduce and expose club members to the idea of college. This program will prepare them for a successful educational career.

**CULINARY SCIENCES** Members will discover and apply scientific techniques while learning how to cook.

**DEBATE TEAM** This class prepares young professionals how to have a formal discussion or argument to defend a point of view. In this class, members will learn the rules of a debate and have mock debates on different subjects.

**DIY STEM** This class is a hands-on, activity-based STEM curriculum which connects youth to science themes they encounter regularly. Special attention is paid to connections of theory and application and the common interactions members have with these scientific principles.

**FOOD SCIENCE** You might want to bring some gloves for this. Science is all around us. Food science will show our members how chemical reactions can change the flavor, color and texture of the food we eat every day. This program will also give members the chance to see how the body reacts to different types of food.

**GAMES OF CHANCE** Are you a gamer that enjoys games like Yahtzee, Magic: the Gathering, or The Resistance? Learn to be a better player and beat your friends! This class will teach you the fundamental math needed to give you the cutting edge.

**GARDENING CLUB** The BGC Garden Club gives members the opportunity to grow their foundation of gardening knowledge. We will be cultivating and learning the gardening cycle as well as giving the harvest to the members.

**GOING GREEN** Are you interested in the effects of recycling? Have you ever wanted to gain a better understanding of your environmental footprint? Join our Going Green program where you will learn easy techniques you can use to reduce energy consumption at home. Members will also research and discuss Green companies. The conversations, experiments and projects are endless with the Going Green course.

**HANDS ON SCIENCE** Get involved with Science! This incredible class takes a hands-on approach to science experiments. Members will learn, be amazed and have fun all in the name of science.

**HOMEWORKOPOLY** Have a hard time completing your homework? Join the homework club and play homeworkopoly with us! Through this program you will have the chance to earn "Club Bucks" which you can use to buy cool rewards like headphones, Bluetooth speakers, notebooks, toys and boys and girls club swag!

**MONEY MATTERS** Money Matters promotes financial responsibility and independence among Club members ages 13-18 by building their basic money management skills. Participants learn how to manage a checking account, budget, save and invest. They also learn about starting small businesses and paying for college.

**POWER HOUR** ♦ (Making Minutes Count) A comprehensive homework help and tutoring program, designed to raise the academic proficiency of Club members. Power Hour is offered Monday through Thursday at all Clubs.

**SCIENCE EXPLOSION** Conduct simple scientific experiments with objects found in and around the house. Fun projects include lemon juice rockets, creating your own flashlight, producing invisible ink, and more!

**SIGN LANGUAGE** Have fun while learning the basics of sign language. Learn finger spelling, vocabulary and sentences.

# Club Program Descriptions

## Sports, Fitness & Recreation

**BASKETBALL** Instruction will focus on improving skills such as shooting, rebounding, passing, dribbling, conditioning and team work. Members will finish with greater self-confidence and appreciation of the game.

**BODY CONDITIONING** Ready, set, improve!!! This program promotes the importance of physical activity not only through games but getting involved with increasing stamina, improving performance and understanding the importance of staying active. Body conditioning gives members a chance to work on becoming the best self they can be.

**CARDIO** Blends imagination, sports, games, and yoga with music while working motor skills, balance, coordination, endurance and flexibility.

**DODGEBALL** "Ready, Set, DODGEBALL!" Each week will be skills training on dodging, throwing and catching balls. Participate in dodgeball games against other member-filled teams.

**HOCKEY** Have a blast playing hockey in street shoes! Players will get together once a week and participate in instructional drills as well as scrimmages. All equipment will be provided.

**FLAG FOOTBALL** This program is designed with the basics: passing, receiving, running with the ball, blocking and defense. Participants will be provided with fun opportunities to exercise their newly acquired skills.

**FLAG GAMES** There are many awesome games with flags! Play games like last man standing and flag football which will develop teamwork and teach the meaning of good sportsmanship.

**KICKBALL** This popular playground game teaches members fitness and teamwork skills while developing coordination and dexterity.

**ROCK CLIMBING** Learn the skills you need to get out climbing. Have fun while climbing on our 35 foot indoor rock wall.

**SCOOTER GAMES** This class focuses on fun and exercise on wheels! Play games like scooter tag, scooter ball, and others. Scooter games allow members to gain skills such as agility and coordination.

**SOCCER** Soccer is a fun and exciting way for you to learn cooperation while staying fit. You can learn the basic rules and plays that make soccer so popular worldwide. Build bonds with other members as you learn to become a team player in this great sport.

**TRIPLE PLAY SPORTS & FITNESS** Triple Play is a dynamic wellness program that demonstrates how eating right, keeping fit and forming positive relationships add up to a healthy lifestyle.

**WIFFLEBALL** Wiffle ball is a variation of the sport of baseball designed for indoor or outdoor play in confined areas. This activity will build flexibility and coordination while having fun.

Classes are offered at **NO ADDITIONAL CHARGE** when Members are enrolled in the Before/After School Monthly Program. Non-Monthly Members are welcome to enroll in these programs on an 'a la carte' (pay as you go) basis.

★ These classes have an additional fee for **Monthly and Non-Monthly Members**.

◆ Classes can only be attended by **After School Monthly Members**.

Cost per class for non-monthly members is **\$40.00** unless otherwise noted
